Aarsleff enters into contract for harbour construction in Swinoujscie, Poland

Aarsleff has entered into a contract with Maritime Office in Stettin for construction of a harbour in connection with a new LNG gas terminal in Swinoujscie, Poland.

The contract is carried out in cooperation with Boskalis International bv from Holland and Hochtief Construction AG from Germany among others and has a total value of approx. DKK 1.3 billion, of which Aarsleff's share is approx. DKK 400 million.

The work consists of construction of a jetty and other port structures.

The work will begin during the summer of 2010 and has an expected construction period of 30 months.

The order does not affect Aarsleff's expectations for the financial year 2009/2010.
